

LZ15969: Authors' Reply

May 24, 2019

1 Summary of Changes

We agree with the referees' suggestions and implemented the changes to the paper:

- Per the recommendation of Referee A, we removed the “only” in the abstract.
- Per the recommendation of Referee B, we removed “to ensure the applicability of the DVCS handbag diagram” and changed “avoid” to “avoids” at the end of page 3.
- The figures have been adjusted to meet the maximum allowed length requirement.
